mailstation™/mailstation2™ / DM125™/DM225™ / DM300c™/DM400c™/DM475™ URL and IP Addresses

Note:

Restricting access to specific URL and IP addresses could potentially cause machine condition issues in the future should Pitney Bowes update their infrastructure. In order to minimise this Pitney Bowes recommends allowing access to any URL containing **pb.com**.

Service	URL	IP Addresses	Protocol and Ports	Description
DNS		165.87.13.129 165.87.201.244	UDP on Port 53	Used to resolve a URL to an IP address.
